

# Visa Gift Card

---

## Agent Bank Account Set Up Form and Instructions

---

To get started, you will need to establish a bank account at your bank from which your value loads will be drawn daily. All value loads from the previous day, as reported from you Cardwiz System, will be drawn from this account by ACH each day.

---

Please complete the information below and Fax to the number as indicated. A representative will contact you to verify the information and establish the account
