

dash™ Disbursement

Fast and Secure Payment Delivery

The dashDisbursement card provides businesses a better way to deliver disbursements to customers, vendors or business partners. Paper checks are costly, cumbersome and bog down cash flow. With dashDisbursement, companies can replace checks with digital or prepaid cards to make faster and more secure payments. dashDisbursement saves businesses time and money, and gives payees quicker access to their funds.

Taking your payment process to the next level with payment cards

Deliver more with dashDisbursement

Disbursement payments don't have to be complicated. Simplify and streamline your payment process with dashDisbursement cards.

GETTING STARTED IS FAST AND EASY.
