

# dash<sup>TM</sup>Reward

## The Most Flexible Way to Give Value

dashReward delivers choice, flexibility and value to employees, customers and vendors. From rewarding length-of-service and performance milestones, to delivering timely sales incentives, each card delivers meaningful value that employees and partners love.

## Rewards They Really Want

**RECURRING,**  
reloadable rewards  
integrate into  
your platform for  
any campaign

**REWARD** performance,  
drive behavior,  
improve loyalty

**RELOAD** cards online  
for ongoing incentives  
and rewards

**DEDICATED**  
account  
support team

**CHOOSE** from standard  
designs, or go custom  
and put your brand in  
cardholders' hands

**SIMPLE** secure ordering  
right from your desktop

**CHOOSE** any card  
value and deliver  
almost anywhere

**CARDS** can operate  
as your sole reward  
currency or added to your  
redemption catalogue

## Drive better results with dashReward

Your business can increase loyalty, strengthen partnerships and do more with every sales, marketing and employee program because recipients prefer reward cards. dash cards are perfect for ongoing sales and service incentives, partner performance incentives, employee wellness programs, and more.
